Blowing

The Super Vac

A compact, light weight, versatile vacuum cleaner with a unique filtration system. Ensures a very high level of cleanliness, hygiene and a dust-free and germ-free atmosphere. Ideal for domestic and institutional applications, ROOTS Super Vac is economically priced and has low consumable cost. What's more, unlike any other available vacuum cleaner in the market, ROOTS Super Vac can also be used for wet applications in addition to dry cleaning and blowing.

What makes the Super Vac Special?

- Light weight and compact
- Low noise level
- Futuristic design
- Swivel Castor Wheels for easy mobility
- 2 Stage air flow motor for trouble free performance
- No paper filter bags
- Available with complete set of accessories like master nozzle, squeeze nozzle, ellipse brush, extension wands and crevice tools.
